Tis The Season

As we enter this special time of the year, we are reminded of the reason that we do this work.. Our lord was sent here by His father above to live a life as man, teaching those He came in contact with about His father and His love for a fallen world, and ultimately dying on a cross to redeem mankind.....The redemption is a gift, but with that gift there are instructions. Like a gift we give our children, if the instructions aren't heeded, the toy or item will not work properly. We strive to continually bring to the awareness of our community of believers the importance of heeding Gods instruction to disciple and multiply to increase the kingdom, teaching them everything He has commanded.

As we enter the new year please keep our team in prayer as we seek Gods desire for the expansion of the ministry in territory, resources, and people desiring to teach and learn Gods commands for His people.
